

REMARKS

This is a preliminary amendment before the first Office Action.

Claims 23-25, and 59 are pending herein.

Claims 1-22, 26-58 are cancelled since their subject matter is claimed in grandparent application 09/515,749, or in parent application 09/882,117.

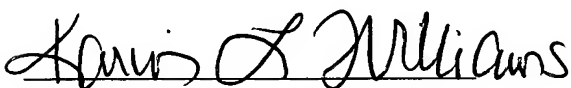

This divisional application is filed herewith following a restriction requirement in the parent case, 09/882,117, in which an election was filed on January 9, 2003 to restrict examination in the parent application to device claims 32-50.

The specification is amended to add the priority claim to the parent application 09/882,117, and to the grandparent application 09/515,749.

The claims are amended to cancel claims 1-22, and 26-58 which were previously examined and allowed in the parent application 09/882,117, or granted in the grandparent application 09/515,749. In addition, claims 23, 24 and 59 are amended to be rewritten in independent form so as to eliminate dependency from claims 19, 1, and 51, respectively, which have been cancelled in this divisional application.

It is respectfully requested that this amendment be entered and that the application be taken up for examination in due course. In the event examination can be efficiently advanced with a phone conference, it is requested the undersigned attorney be contacted at 908-518-7700. The PTO is hereby authorized to charge any additional fees due to the undersigned attorney's deposit account #50-1047.

Respectfully submitted,
